J. Christopher's is like a big kid at Christmas and can't get enough of the holiday spirit! From its current Adopt-A-Family charity campaign that will give needy families the things they need and the gifts they want but cannot afford on their own for Christmas, to the delicious holiday menu selection – Gingerbread Waffle, Cranberry Walnut French Toast, Monte Cristo Sandwich, and Candy Cane White Mocha – J. Christopher's wants to fill its staff, customers and communities with holiday cheer!

To help a family in need this holiday, bring in an unwrapped item from the family's Wish List (located on-site currently) and present it to a J. Christopher's associate. Gift Cards and cash donations are also appreciated – we'll do the shopping for you!

### About J. Christopher's

In 1996, Jay McCann and Chris Brogdon hatched a new idea for a different restaurant concept: a neighborhood daytime breakfast and lunch eatery featuring traditional house-made favorites, healthy choices, and creative menu options in a comfortable, friendly atmosphere. This tall order was filled when the first J. Christopher's restaurant opened in Marietta, GA in January 1997. J. Christopher's has been expanding ever since, with 22 restaurants now in operation, satisfying millions of taste buds every day.

Currently J. Christopher's operates restaurants throughout the greater Atlanta area and in Franklin, Tennessee, Savannah and Macon, Georgia, with continued expansion to new neighborhoods throughout Atlanta and the southeast.
